<http://www.nidec-shimpokeisoku.jp/mainte/>

The screenshot shows the 'お問い合わせ' (Contact Us) page on the Nidec website. The header includes the Nidec logo and navigation links for '製品情報', 'ダウンロード', 'FAQ', '会社情報', and 'お問い合わせ'. The main content area is titled '計測製品のHPお問い合わせ対応先に関するご案内' (Information regarding the contact destination for inquiries about measuring instrument HP). It lists three categories of inquiries: 1. Inquiries about products, 2. Inquiries about catalogs, and 3. Inquiries about repair and maintenance. A sidebar on the left contains links for '販売終了のご案内', '修理・校正・非該当証明書', 'FAQ', and 'しんぽ通信はごまかさない'. At the bottom, there is a contact form with fields for name, company, address, phone, and email.

The screenshot shows the 'サポート・お問い合わせ' (Support/Inquiry) page on the Nidec website. The header is similar to the contact page. The main content area is titled 'サポート・お問い合わせ (修理相談、校正相談、輸出非該当証明書など)' (Support/Inquiry (Repair consultation, Calibration consultation, Certificate of non-compliance with export regulations, etc.)). It provides information about the support services and lists three types of inquiries: 1. Repair consultation, 2. Calibration consultation, and 3. Certificate of non-compliance with export regulations. A sidebar on the left contains links for '販売終了のご案内', '修理・校正・非該当証明書', 'FAQ', and 'しんぽ通信はごまかさない'. At the bottom, there is a contact form with fields for name, company, address, phone, and email.

【正常稼働中のお問い合わせフォーム】

The screenshot shows the 'お問い合わせ' (Inquiry) page on the Nidec website. The header includes the Nidec logo and navigation links for '製品情報', '減速機選定ツール', '企業情報', '採用情報', and 'サポート・お問い合わせ'. The main content area is titled '計測機器に関するお問い合わせ' (Inquiry regarding measuring instruments). It features a progress bar with three steps: 'STEP1 お問い合わせ内容のご入力' (STEP1 Input inquiry content), 'STEP2 ご入力内容の確認' (STEP2 Check input content), and 'STEP3 送信完了' (STEP3 Transmission complete). Below the progress bar, there is a section for 'お問い合わせ内容' (Inquiry content) with a list of inquiry types: 'ご購入/お見積について', '納期について', '修理/補修部品について', '輸出/非該当証明書について', 'その他', '価格について', '製品仕様/選定/技術的なご相談について', 'ISO校正について', and 'カタログ/取扱い/法規等資料請求について'. At the bottom, there is a text area for 'お問い合わせ内容' (Inquiry content) with a character limit of 500.
